1.0 Introduction

1.1 Preface

1.2 The Spiritual Basis for SIA21

1.3 Organization of Handbook and Intended Purpose

1.1 Preface

This Handbook was prepared to provide a resource for Protocol, Policy, and Procedures for Unity of Area 21 operations. It is intended to serve as a guide to Area Trusted Servants, the Districts, and the A.A. Groups for the conduct of the usual business of Area 21. The Handbook also provides an overview and the general duties of the Area Officers and Committee Chair positions, the Area Committee Charges, Elections, and the Voting Members of the Area 21 Committee at its Assemblies. This Handbook will be updated to reflect changes in policy and procedures as approved by the Area Committee.

In addition, the Handbook provides reference to the current A.A. Service Manual for further information concerning the relationship of the Groups, Districts, and the Area as components of the General Service Conference Structure.

1.2 The Spiritual Basis for SIA21

The goal of SIA21, as part of the General Service Conference, is to enhance Twelfth Step work, acting through an informed group conscience. With this objective in mind, SIA21 strives to:

- Stimulate A.A. group involvement and participation in the Area Assembly.
- Allow for free, open, and unrestricted dialogue among A.A. groups in Area 21.
- Guarantee that the voice of the A.A. groups is heard within the A.A. service structure.
- Ensure that the right of the minority opinion be heard.
- Protect the Twelve Traditions of A.A.
- Be knowledgeable in service matters by studying the *A.A. Service Manual*, *A.A. Comes of Age* and *The Language of the Heart*.
- Foster awareness and understanding of the Twelve Concepts for World Service.

1.3 Organization of Handbook and Intended Purpose

This handbook is a basic outline of how our Area operates. The Southern Illinois Area General Service Committee abides by the principles reflected in the Twelve Steps, the Twelve Traditions, and the Twelve Concepts for World Service of Alcoholics Anonymous. We also follow the current *A.A. Service Manual*. However, over the course of our existence, we have developed practices and procedures unique to Area 21. This Handbook, therefore, is an effort to describe those practices and procedures presently accepted in the working structure of the Area.

The Southern Illinois Area General Service Assembly formally endorsed the Handbook on December 11, 2016. However, the group conscience has been—and continues to be—the guiding force in A.A. decision-making, and no prior Committee or Assembly decision (including those that led to the development of this handbook) shall be binding on future Committees or Assemblies.

The Handbook is meant to be used in conjunction with the *A.A. Service Manual/Twelve Concepts for World Service* and pamphlets describing various service units or activities such as:

- Circles of Love and Service
- Self-Support: Where Money and Spirituality Mix
- The A.A. Group.
- Your D.C.M. - District Committee Member
- G.S.R. General Service Representative May Be the Most Important Job in A.A.
- Twelve Concepts Illustrated.
- Twelve Traditions Illustrated.

2.0 Area 21 Description

2.1 Area History

2.2 Area 21 Groups, Districts and Area Committee

2.1 Area History

From 1951 through 1971, the Northern and Southern Areas of Illinois were operated as one service entity known as "Downstate Illinois." "Downstate" elected a Southern "section" delegate for the odd years, and a Northern "section" delegate for the even years.

In 1960, for the purpose of choosing delegates, a dividing line between the two "Sections" was determined, largely along US 24. Delegate Area 21, Southern Illinois, and Delegate Area 20, Northern Illinois, began operating separately in 1972 with their own treasury and elected officers. The Southern Illinois Area is composed of approximately the southern two-thirds of Illinois, with the same southern, western, and eastern boundaries as the State.

As of January 2018, the current boundary is reflected by the locations of Groups within the respective Areas. A review of the Groups and their locations indicates a geographic separation between the two Areas to be US Route 24, initiating at the Indiana State line and extending to the Livingston County line, then following the northerly County boundaries of Livingston, Peoria, Fulton, McDonough, and Hancock Counties, all the way to the Illinois State line at the Mississippi River.

2.2 Area 21 Groups, Districts, and Area Committee

The *A.A. Service Manual* describes the A.A. Structure, beginning with the illustrated "Upside-Down Organization" . The communication through the "Structure of the Conference"—from the Groups down through the Districts, the Area and its Delegate, through the Conference Committees to the General Service Board, is also illustrated and the "Communication Through the Structure" is verbally described. A quick study of these references will aid the understanding of the organization of the Groups within Southern Illinois Area 21.

The Area is currently comprised of more than 450 listed active Groups registered with the General Service Office (GSO). The purpose of listing a group with the GSO is to link and share the Group with others in proximity to each other by geographic location.

The Southern IL Area is organized into 17 Districts. A District is a collection of listed active groups that geographically makes sense for communication by a District Committee Member (DCM).

The current Districts in Southern IL Area 21 and their main cities are:

A current map (2018 edition) of the Area and District Boundaries is included as an Appendix to the Handbook. Redistricting may occur as detailed in *The A.A. Service Manual*.

The Districts of Area 21 are organized as an Area Committee. The Area Committee is comprised of the District DCMs, the Area Officers, and the Area Committee Chairs. The Area Committee meets quarterly with the Group GSRs in an Area Assembly.

3.0 General Service Representative (GSR)

The General Service Representative is the link for a Group to other Groups, the District, the Area, and A.A. as a whole. The GSR and A.A. interface is a two-way communication of the individual Group Conscious to A.A. through participation in the District and Area meetings, as well as transmitting the knowledge of A.A. activities, unity, and growth back to their Group. This dual representation role allows the Conference Actions to truly represent A.A. as a whole.

GSRs usually demonstrate an understanding of A.A. principles and show patience, cooperation and thoughtfulness in relationship to others. They have the confidence of their Group and the ability to listen to all points of view. They have the firm determination to “Place Principles before Personalities,” are willing to serve others, and possess the ability to take action on behalf of their Home Group. Many Groups provide financial support for their GSRs to attend and participate in service functions.

The typical activities of the GSR include:

1. Attending and participating, with their Group’s conscience, in District meetings and Area assemblies.
2. Serving as their Group’s mail contact for GSO, and keeping their Group abreast of A.A. activities in the District, Area, and GSO.

3. Staying knowledgeable about material available from GSO—new literature, guidelines, bulletins, videos, kits, etc.—and being responsible for passing such information on to the Group.
4. Supplying their DCMs with updated Group information, which is relayed to Area Registrar for inclusion in the directories, and GSO mailings.

4.0 District Committee Member (DCM)

The District Committee Member, is an elected position for the leader of the District Committee. The DCM is a messenger of the collective group conscience of the groups within the District to the Area Committee, and the Delegate. This position is also responsible for transmitting information on current Area events back to the District and its member Groups, and assisting the Delegate in providing information from GSO to the Groups. As with the GSR, this dual representation role further supports achieving Conference Actions that truly represent A.A. as a whole. DCM terms usually are two years, and are generally concurrent with Area Delegate terms.

DCMs are usually chosen from current or past GSRs or District Committee Chairs or members. They have knowledge of the Groups within the District, and are familiar with the relationship of the District with the Area Committee. This position also benefits from individuals serving who demonstrate an understanding of A.A. principles and show patience, cooperation, and thoughtfulness in relationship to others. They have the ability to listen to all points of view and provide leadership and direction to a collective group conscience. They accurately transmit the District's position on issues to the Area Committee and strive to "Place Principles before Personalities" in the communication process.

The typical activities of the DCM include:

1. Chairing District Meetings and facilitating communication between the Groups, the District Officers, and District Committees, during—and between—District Meetings.
2. Attending Area Assemblies, workshops and service meetings.
3. Assisting the Area Registrar in obtaining Group information changes and new Group registrations.
4. Receiving reports from the Groups through GSRs and through frequent personal contacts with Groups in the District.
5. Assisting the Conference Delegate to keep GSRs informed about Conference activities. This includes setting up opportunities for the Delegate's Conference report, occasionally making the Conference report if the Delegate cannot be present, and inviting the Delegate to regular District meetings.
6. Promoting District workshops and/or sharing sessions on service activities.
7. Making a regular practice of talking with groups (new and old) about the responsibilities of general service work.

5.1 Elections

5.2 Area Chair

5.4 Alternate Delegate/Chair
5.5 Area Treasurer
5.6 Area Recording Secretary
5.7 Area Registrar

5.1 Elections

The Area elects the following Trusted Servants: Delegate, Alternate Delegate/Chair, Area Treasurer, Area Recording Secretary, and Area Registrar. The outgoing Delegate fills the position of Area Chair. All positions are for a term of two years, beginning on January 1 of odd numbered years. The suggested qualifications for the elected officers are as stated in *The A.A. Service Manual*, pages S44 through S46.

The election for Offices is conducted according to the Third Legacy Procedure, as detailed in the *A.A. Service Manual*, page S21. Elections are held during the September Assembly of even-numbered years. When an elected officer is unable to complete his or her term, a special election is held at the next Assembly.

To avoid having to move the Archives frequently, the Area Archivist is a semi-permanent position. All appointed positions carry a two-year term running concurrently with the elected officer's terms.

The Area Committee is composed of the elected Officers, Committee Chairs, and the District Committee Members. Any meeting of the area GSRs and the Area Committee is an Assembly. Person's allowed a vote at Area Assemblies, including Elections by the Third Legacy Procedure are: all GSRs, the Area Committee, and Past Delegates. Alternate GSRs and Alternate DCMs are allowed to vote if their GSR or DCM is absent.

In the spirit of rotation, no elected Officer or appointed Trusted Servant should be elected to two full terms of the same position; however, an individual may complete another individual's term and run for election to that position at the next election.

Those eligible to stand for election are the members of the Area Committee, and any member nominated from the floor. Past Delegates are not eligible to stand for election to an area office. It is strongly recommended that SIA21 elected Trusted Servants and SIA21 appointed Committee Chairs not simultaneously hold a Group or District position that has a vote, or potential vote, at SIA21 Assemblies.

Though a Standing Committee Chair, the Archives Chair serves an indefinite term, due to the unique qualifications and duties of this position.

Area Standing Committee Members automatically include Chairpersons of District Committees of the same nature and charge. Standing Committee Chairs may appoint Alternate Committee Chairs to assist or carry out the Chair duties in the absence of the Chair at events or functions. It is recommended that Service Committee Chairpersons have a minimum of 1 year of experience as a GSR or similar Committee experience at the District or Group level.

8.0 Area Assemblies

8.1 Purpose

8.2 Regular Assemblies

8.3 Timing

8.4 Procedures

8.1 Purpose

The purpose of the Southern Illinois Area General Service Assembly is to serve the fellowship of Alcoholics Anonymous within SIA 21. The Assembly should conduct Area affairs in the spirit of the Twelve Traditions of Alcoholics Anonymous, and the Twelve Concepts for World Service.

The Southern Illinois Area General Service Assembly has the sole authority to make all decisions for and affecting Alcoholics Anonymous, as such, in SIA 21. It may delegate the performance of such authority to other committees or individuals.

The Southern Illinois Area General Service Assembly elects one of its members to serve as the SIA 21 Delegate to the General Service Conference.

8.2 Regular Assemblies

Area Assemblies and Activities are referenced in chapter four of the *A.A. Service Manual* pages S36 through S40. These pages provide an overview of the Assembly Composition, Vote Eligibility, Typical Activities, and Sharing Sessions. Appendix 2, "Planning Tips and Hosting Area Assemblies," and Appendix 3, "Assembly Budget," are included with this Handbook to facilitate in the planning and hosting an Area Assembly.

8.3 Timing

The Area convenes in an Area Assembly four times each year in the months of March, June, September, and December. The site of the Assembly is determined through a bid process, whereby all SIA 21 Districts interested in hosting an Assembly submit a verbal bid at the Assembly one year prior to the date they are bidding on.

Depending on the availability of meeting facilities in the host district, the Assemblies are held on either of the first two Sundays of those months. The June and September Assemblies are normally scheduled to avoid the Memorial Day and Labor Day weekends, respectively.

The cost of the Assembly is borne by the individuals attending, with the ideal that the cost of registration and lunch are sufficient to pay the expenses incurred in procuring the meeting space and providing coffee, refreshments, and lunch. In the event that there is a financial shortfall, the Area Treasury will make up the difference. Excess funds generated at an Assembly are turned over to the Area. Any activities offered by the host district on the Saturday evening before the Assembly are considered separate, and are not included in the financial accounting of the Assembly.

8.4 Procedures

The rules contained in the current edition of *Robert's Rules of Order* shall govern the Southern Illinois Area Service Assembly in all cases to which they are applicable, and to the extent that they are consistent with this service structure, the Twelve Traditions of Alcoholics Anonymous, the Twelve Concepts for World Service, and any special rules that SIA 21 may adopt.

The voting membership of the Southern Illinois Area General Service Assembly is composed of the following persons: Area Chair, Area Delegate, Alternate Delegate/Chair, Area Treasurer, Area Recording Secretary, Area Registrar, Committee Chairs of the Archives, CPC, Corrections, Grapevine, GSR Workshop, Literature, PI, Structures and Policy, Treatment, and Webmaster Committees. District Committee Members (DCMs) and the General Service Representatives (GSRs)—or in their absence, their Alternates, are also eligible to vote.

1. Voting Procedures: Simple majority vs. substantial unanimity. All important decisions are to be reached by discussion, vote, and, whenever possible, by substantial unanimity, refer to Warranty Four of Concept XII of the *Twelve Concepts for World Service*. The Assembly will sometimes have to decide what the requirements of substantial unanimity are going to be—whether a simple majority, a two-thirds, three-fourths, or even greater majority, will be required to settle a particular question. In such situations, the advanced agreement as to the requirements will be had on simple majority vote.
2. Who can speak, and when: It is within the discretion of the Chairperson to recognize anyone to speak at any time during the Assembly. At certain times, however, such as during the Area Committee Meeting, the written Agenda limits discussion to certain members of the Assembly.
3. How to get something on the Agenda: Any item of business may be placed in advance on the written Agenda at the discretion of the Chair. Items of business to be voted on by the Area Assembly are brought to the floor in the form of a motion. The Chair will then ask for a second to the motion. If a second to the motion is made, discussion will follow. After the discussion, a vote will be taken.

Prior to the vote, the Chair will inform the Assembly, on whether the vote requires a simple majority or more than a simple majority to pass. Secondary motions (“amendments”) change motions that have already been put to the floor for debate. However, the amendment must be proposed before a vote has been taken, and the maker of the motion must agree to the change. Amendments can be used to change the wording of a motion, to clarify it, or to even change its original import.

Minority Opinion refer to Concept V of the *Twelve Concepts for World Service*. Once a vote has been conducted, the Chairperson will call for the “Minority Opinion.” At this juncture, all who wish to speak *against* the vote just taken are invited and encouraged to do so. During Minority Opinion sharing, no member may speak to the issue from the standpoint of the majority. Minority opinion is only for expression of the minority opinion.

After sharing of the Minority Opinion, the Chairperson will ask if anyone would like to change their vote. If anyone has changed their mind on the issue, the Chair will preside over another vote on the motion. If the motion is again passed, the vote stands. If the motion is defeated during the second vote, it is defeated entirely.

9.0 Special Events

9.1 General

9.2 Special Meeting Types

9.3 Workshops and Panels

9.1 General

It's clear that A.A. get-togethers beyond the group have become an established part of A.A. life. What makes an A.A. special event “click” for its participants? It's probably not style or form that matters so much as the spirit and feeling behind it. “Balance” and “flow” are two key words in the planning of a special events program, particularly in setting up panels. It's important that the program flow smoothly, with one feature following another in a pleasant, logical series. It's also important that the topics and participants are balanced, thereby limiting too much of any one subject, or too many participants of similar experience and viewpoint.

Planning for special events may be completed with a small committee of two or three persons, up to a multi-level committees with Chairs and Subcommittee Chairs working over several months to complete the planning. One planning key is *delegation*, thereby reducing reliance on any single person or component for success. A second key is *communication* to the attendees with adequate notice of the event date, location, and time.

9.2 Special Meeting Types

An A.A. special event is almost any A.A. get-together beyond the group meeting level. These range from special meetings of one evening's duration to longer events, like Area, statewide, or regional weekend conventions. They will, most likely, be one of the following:

1. A special open meeting: This kind of gathering can serve useful purposes. It will, of course, bring together the A.A. members in a city or area, but will also provide a good opportunity to invite interested friends of A.A. to the meeting. Certainly, it's proper on such occasions to send special invitations to members of the clergy, doctors, lawyers, social workers, public health officials, and others who may have a special interest in A.A.
2. A one-day session: This might include several general meetings throughout the day. For a start, there's a “welcome” meeting in the morning, followed by other activities. There may be another open meeting in the afternoon, while the main open meeting with the featured speaker is saved for the final meeting in the evening. If the convention is held in a school, civic hall, or other building with additional rooms, it's likely that the program will also include A.A. workshops and panels, service meetings, assemblies, and closed meetings.
3. A banquet: Many Intergroups or Central Service Offices now sponsor annual banquets, often to help support their office operations. Some groups and Areas also have banquets (or informal buffet and potluck dinners) as anniversary or gratitude observances. The banquet often features an after-dinner speaker, or some other program of interest to A.A. members.
4. A weekend convention: This is an ideal form for a state, provincial, or regional convention. Members often arrive for an opening meeting session or for coffee and conversation on Friday evening. Additional meetings and workshops—as well as other activities—continue through Saturday, and even into Sunday afternoon. The convention may include a banquet, luncheons, special breakfasts, dancing and entertainment, and perhaps a spiritual meeting on Sunday morning. One effective way to insure maximum interest and participation in the convention is to farm out each meeting, workshop, or panel to a different Group or area within the convention territory. Thus, the groups themselves plan and organize the meetings, always working closely with the general program chair to assure balance.

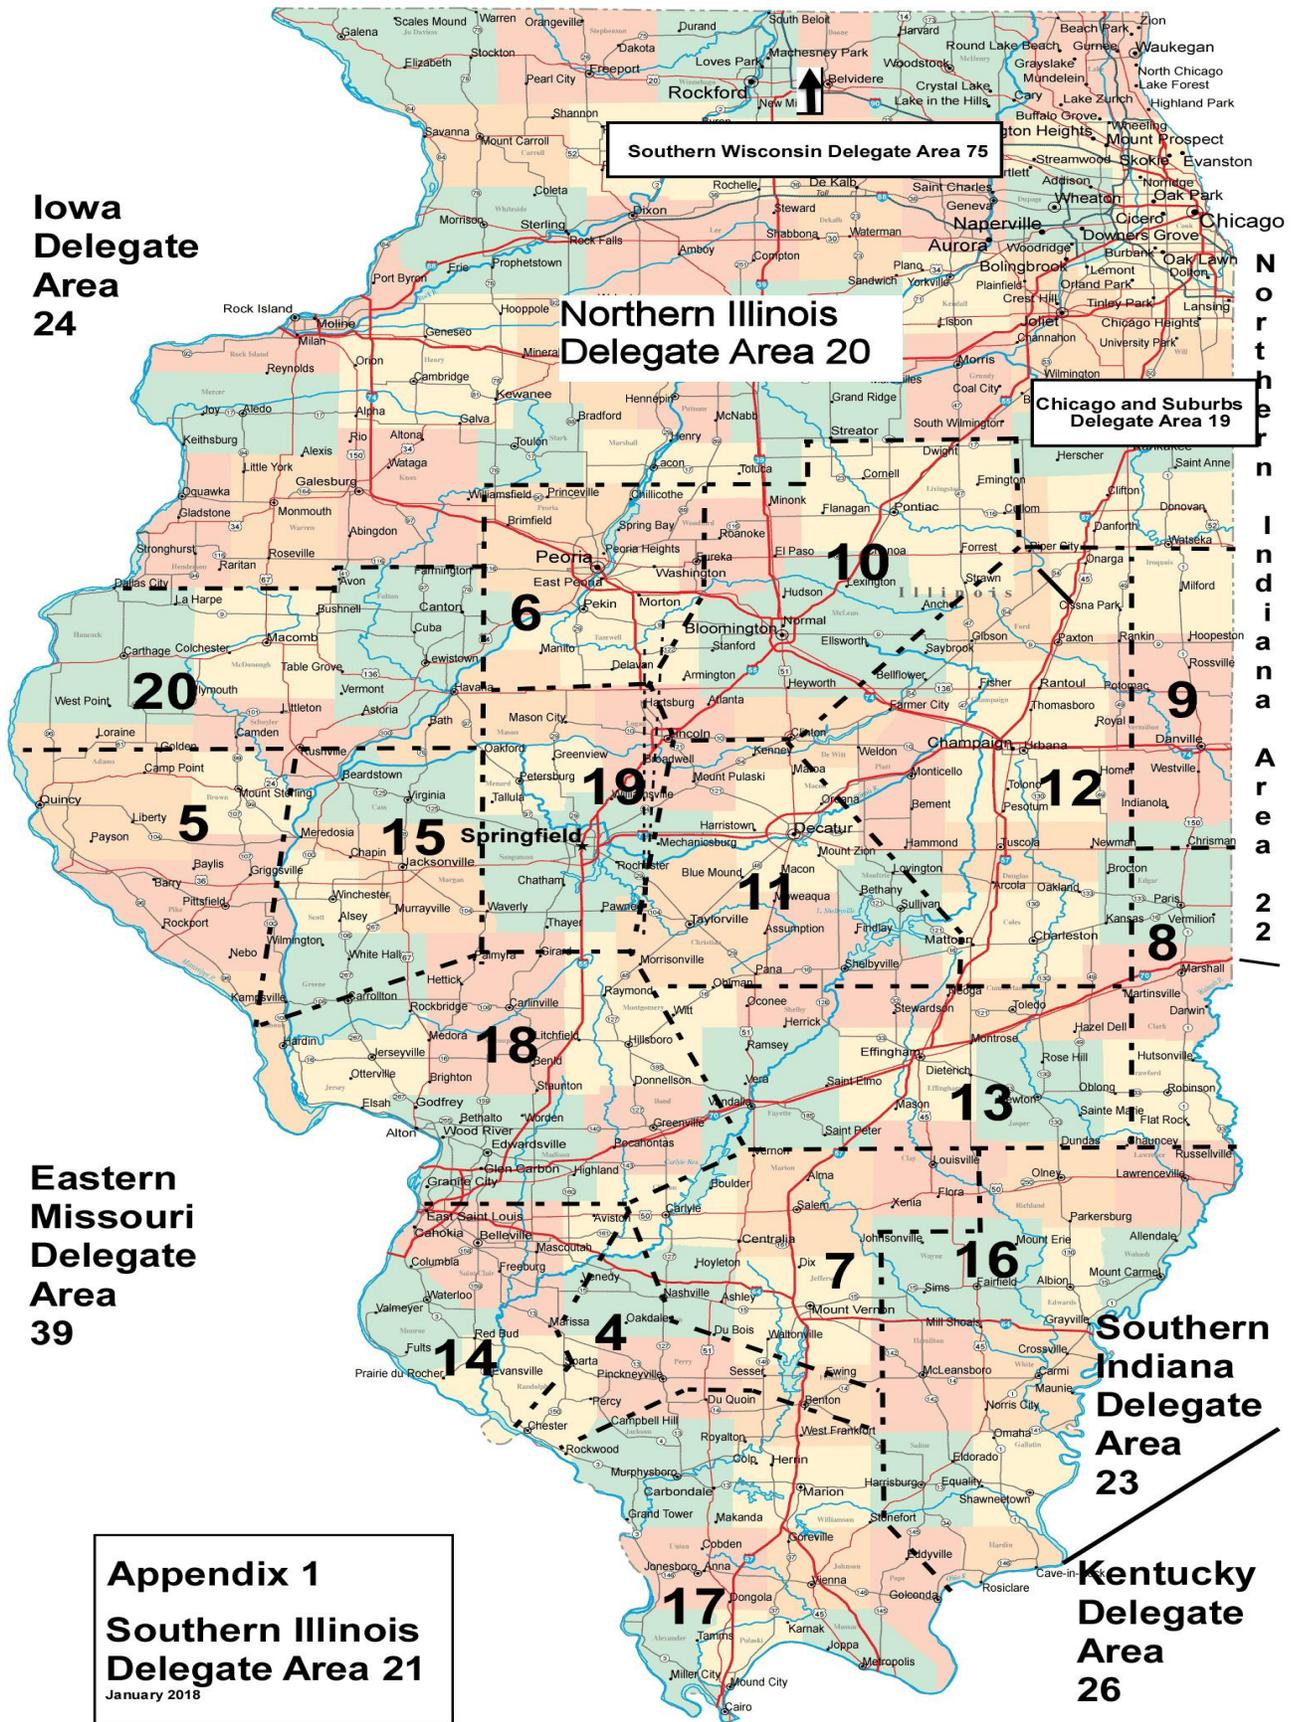

9.3 Workshops and Panels

Workshops and panels may take a variety of forms. One popular arrangement is to set up a panel with three speakers and a chair. Each speaker may be assigned a topic and a time limit. The session may be followed by a short question-and-answer period, if time allows. Here are some suggested topics appropriate for workshops and panels:

- Correctional Facilities/Treatment Settings
- Public Information/Cooperation With the Professional Community/Special Needs
- Sponsorship/Service/GSRs
- The Twelve Traditions/Twelve Concepts
- Intergroups/Central Service Offices
- A.A. Grapevine/La Viña Magazines

On the subject of panels, experience has shown that topics such as “How the General Service Office Works” or “Why GSO?” attract only a small audience, and therefore do not carry the message in a satisfactory fashion. GSO staff members can best be used as speakers on regular panels—where their familiarity with A.A. worldwide can add an extra dimension to the presentation.

Any one of the trustees (especially your own regional trustee) would be invaluable on such topics as “A.A. and Responsibility.” They are in a crossroads position, where they are aware of our Fellowship—particularly on the public level but also have an overall perspective on our purposes, strengths, and weaknesses. They can be of great value in helping us learn more about worldwide A.A. Don’t forget your own GSRs, Committee members, Delegates, and past Trusted Servants. From their work in carrying the message outside their own groups, they’ll have many ideas on such subjects as “Is A.A. Changing?” and “A.A. at Work, Then and Now.” Many other A.A. old-timers and not-so-old-timers, also have worthwhile information and thoughts on such subjects.

Appendix 02 - Planning Tips and Hosting for Area Assemblies

1. GENERAL

- a. The District DCM submits the Bid to Area Assembly to serve as Host one year prior to the Date, i.e. the bid is due at the March 2018 Assembly for Hosting the March 2019 Assembly.
- b. Prior to Bid submission, the District should be aware of potential facilities in their area for hosting the event, the potential hotels in proximity to the facilities and Groups or events which might be available for hosting a Saturday evening event, potluck speaker meeting or similar.
- c. Prior to Bid submission, the District should have a Committee Chair and members in mind to initiate the planning after acceptance of the Bid by the Area 21 Assembly.
- d. The District DCM should report on the planning progress at each of the 3 subsequent Assemblies.

2. MEETING ROOM REQUIREMENTS

- a. Facilities should be handicapped accessible and provide sufficient off street parking. Facilities should be suited for the Assembly meeting, breakout sessions, lunch service and breaks for up to 100 persons.
- b. Chairs and tables should be provided for 90 - 100 people. Committee Breakouts, GSR Workshop and DCM School normally require additional space with chairs to facilitate 4 to 6 groups of 15 persons being able to conduct business without conflict.
- c. A head table and podium, preferably on risers. Head table to seat at least 6 people. (Area Chair, Delegate, Alternate Delegate, Recording Secretary, Area Registrar, and Treasurer.)
- d. Sound system requirements, if readily available. The Area will provide the sound system, if necessary.
 - i. Microphone at the podium.
 - ii. Floor mikes. (At least one.)

- e. Four tables in rear of room for A.A. and Grapevine Literature and Assembly Handouts and Flyers for upcoming events.
- f. A registration table and chairs at entrance to meeting room.

3. LOGISTICS

- a. Contact Area Hotels, to verify rooms are available for the Saturday evening. Block approximately 20 rooms with special rate, if possible, in the area.
- b. Make facility arrangements 9 months to 1 year in advance.
- c. The DCM should have Flyers available for handout at the Assemblies at 6 months and 3 months preceding the event. The flyers should detail the Assembly Event address, event costs and hotels. Contact phone numbers for questions. The Saturday evening event should be noted on the same or separate flyer with similar details. The Flyers should be posted on the District Website or the Area's Website with 50 flyers available for handout at each Assembly. Send copy of Flyer to Area Registrar for email distribution.
- d. Two or three helpers are needed for the registration desk. The registration materials should include signup sheets, name badges, pens and sharpies, cash bank for change. Registration is normally open from 8:00 am to 9:30 am.
- e. Two or three helpers are needed to provide room setup for head tables, display and handout tables, snack tables for breakfast items, coffee and drinks and table chair configuration for Assembly and Breakout use. Setup should be completed by 8:00 am.

4. MEALS

- a. Continental style breakfast items are usually provided with coffee, water, soda for the registration period. Breaks usually provide coffee, water, and soda until early afternoon. The expense for breakfast and break items are normally included in the Registration Costs for the Assembly.
- b. Most meeting locations have been selected with meals being catered in or a cafeteria or food service being available on site. The food planning

should normally consider approximately 70 meals will be sold. This can vary based on weather conditions. Food planning and meal cost is typically at or below \$10. This charge normally covers all costs for tax and gratuity.

- c. Facilities have been selected that are not able to provide arrangements for lunch. In this event, attendees are to find lunch “on their own”, provide a list of local lunch establishments in the vicinity.

5. REPORT

- a. Prior to the end of the assembly, the DCM of the host District should provide the Assembly with an oral report giving the number of attendees, those purchasing lunch if provided, total income and total expenses, and the amount of funds, either short or in excess, from the event. The area will reimburse the District for any shortfall and the District shall be turned over any excess to the Area.
