

Area 21 Inventory

1. What is the basic purpose of the Area? Are we fulfilling the purpose?
2. Is the Area service attracting only a certain kind of alcoholic, or are we getting a good cross section of AA members into service?
3. Is turnover in Area Service positions excessive or do new DCM's and GSR's stay with us?
4. Has enough effort been made to explain the need and value of unity (12 Traditions) and Service (12 Concepts)?

5. Does the hosting District know to follow the guidelines for hosting an Area Assembly as outlined in the Area 21 Handbook? As a 'well planned' Area Assembly, has everything been done to provide for adequate facilities for space, breakout areas for committee meetings and the GSR workshop, climate control? Are the facilities handicap accessible?

6. Does the Area carry its fair share of the job of helping Districts? The Grapevine Inc.? General Service Office? AA groups in corrections and treatment centers?

7. Has our Area become the seat of perilous wealth and power, or do we have an effective system for accounting and reporting funds? Do we have a plan to consistently '*spend down our treasury*'?

12. Do you feel as if the Area Committees are well represented? Would you like to see committees work together more often? Would you like to see a committee added or eliminated to the service at Area 21?

13. Do you feel that we are making the newcomers to the Area feel welcomed? Are we making it part of our agenda to make them feel part of the Assembly?

14. How often should we take Area Inventory?
